

The HTS committee is actively trying to contact universities to ensure we have the most up-to-date and complete list of modules. However, this process is dependent on the universities supplying us with the information we need. We will update this document as soon as any new information arrives (15/09/09)

| <b>HCCC module</b>                     | <b>University</b>      | <b>M-level Module</b>                           | <b>Availability</b>  |
